

# CODEZILLA

# Game Makers Coding

"Everyone should learn a computer language because it teaches you how to think." - Steve Jobs

## Game Makers (Gr 3+)

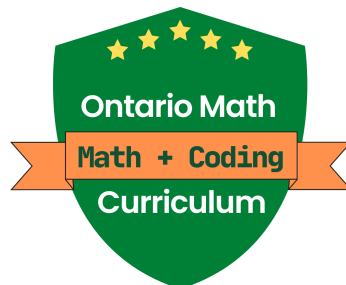

Code dynamic video games using MIT's *Scratch* - it's like *LEGO* on a laptop!

**All Codezilla games include math terms.**

Math  
+ Coding  
+ Creativity

## About Codezilla:

- 45+ schools/daycares
- 9 camp locations in GTA
- Teacher-Endorsed

**REGISTER:**

[codezillakids.com/register](http://codezillakids.com/register)

## JR Wilcox Afterschool

**Cost:** \$175 + HST = \$197.75

**Dates:** Mondays, 3:30-4:30pm

**Duration:** 7 weeks, Mar 27- May 15

Beginner / Intermediate Level. Non-violent games with easy & harder versions. Gr 2 's welcome if prior keyboarding/coding.
